

DREAMS UNLIMITED NEWSLETTER

JULY 2011

Is it really July already? Last year in the July newsletter I was talking about all the water days we had outside. I'm sure that will change soon.

I would like to take this opportunity to welcome Hunter and his parents Misty and Tommy, Sylus and his parents Valerie and Kalem, and Jack and his parents Laura and Ernie to the centre. I would also like to welcome two new staff, Alysha Walsh and Brenda Savidant.

WATER DAY

At Dreams Unlimited any day can be a water day. Please bring in a bath suit/swim shorts and a towel each day. Also, please label the swim wear and towel and place it in your child's bag. That would be soooo helpful.

During the summer months the weather can be pretty unpredictable. Please make sure your child is ready for the day. Here is a list that I find helpful:

DISCO DANCE

Dreams Unlimited will be having its first family dance on Friday July 29 @ 6:30-8:30. All children and families of Dreams Unlimited are invited. Guaranteed to be a blast!

TOOTHBRUSHES

It's that time again. The toothbrushes are in rough shape. Please bring in a new one. Thanks!

VIRTUES OF THE MONTH

To go with our theme, Carnival Week we will be exploring the virtue ENTHUSIASM.

REBUILDING THE PLAYGROUND

We need your help. As you may recall we did a little bit of fundraising for our playground in the winter. We would like to start by extending the fence which will pretty much double the size of the play area. I'm hoping to get this done as quickly as possible so the children will not lose time on the equipment. We will be extending the fence on July 17 @11:00, rain date July 30. If you are able to help please let me know.
